

Area Congressional Medal Winner To Be Feted in Flag Day Tribute Chapel's Alcoholism Education Bill Goes to Interim Committee

Flag Day ceremonies to be conducted in the Hall of Administration next Wednesday morning at 10 a.m., at which six Congressional Medal of Honor winners will be honored, have been planned to help bring about a resurgence of national pride and to make patriotism a part of each American's daily living, according to Supervisor Kenneth Hahn, chairman, Board of Supervisors committee on Military and Veterans Affairs.

"Good citizenship demands that we have a sincere love for our country, respect for our traditions, that we pay honor and respect to our national

heroes. I can think of no more appropriate way in which to observe Flag Day than by honoring the Congressional Medal of Honor winners who reside in Los Angeles County," Supervisor Hahn declared.

HE ADDED that every American should own an American Flag and display it on Flag Day and all patriotic national holidays.

Among Congressional Medal of Honor winners to be presented with scrolls of commendation from the Board of Supervisors will be Lt. Commander Jackson C. Pharris, 5066

Rolling Meadows Road, Rolling Hills.

Those participating in the ceremonies will include Don Belding, civilian aide to Secretary of the Army Elvis Stahr and past president, Los Angeles Chamber of Commerce, and County Assessor John R. Quinn, past national commander of the American Legion.

ALSO participating will be Major General John T. Honeycutt, Commanding General, Fort MacArthur; Brigadier General Glenn C. Ames, Assistant Division Commander, 40th Armored Division, California National Guard, and

Brigadier General Ralph J. Eubank, Commanding General, 40th Armored Division Artillery, Major General S. S. Jack, United States Marine Corps, El Toro Air Base, will be represented by Colonel R. D. Moser.

A large contingent of leaders of veterans organizations are planning to attend and participate.

Music for the ceremony will be provided by the Police Post American Legion Band.

COLOR GUARDS from the Army, Navy, and Marine Corps will join with American Legion honor guards for a massing of the colors

Chapel's Alcoholism Education Bill Goes to Interim Committee

The Assembly of the California State Legislature has passed House Resolution No. 334 by Charles Edward Chapel, Republican Member of the Assembly District. This resolution directs the appropriate interim committee (probably the Assembly Interim Committee on Education), to conduct a careful study of the educational program of the State of California in its schools regarding alcoholism. It reads as follows:

"RELATIVE TO interim

study of alcohol education in California

"WHEREAS, Alcoholism is a major public health and social problem which can be greatly alleviated and controlled by adequate education regarding the health, social, psychological and economic defects of the use of alcoholic beverages; and

"WHEREAS, The National Congress of Parents and Teachers has recently called attention to the need for the Nation's schools to expand and improve their programs of al-

cohol education; and

"WHEREAS, It is imperative that California schools have effective education programs which provide every student with the necessary scientific information and an adequate understanding of this problem; now, therefore, be it

Resolved by the Assembly of the State of California, That the Committee on Rules is hereby directed to assign to an appropriate interim committee for study the subject of the extent and quality of alcohol education in California, and to direct the interim committee to report its findings
